-AP classes are decided by the curriculum & Honors classes will be at a 5.0 grade scale. This will show on the HS transcript, but evaluated with college. Honors students can still take the exam, but they do need to take online Prep courses. More AP classes are going to be added this year.

-4 year plan is helpful for our 8th graders (incoming freshman). Lynne Hattendorf will be coming to the 8th grader's class to go over their 4 year plan. Once they complete it, a copy will be given to the parents of each child and from there we are able to make an appt with Lynne to go over it.

-APPLICATION PROCESS –Smart Tuition already launched. Deadline for Smart Tuition is for all registration to be completed before February 25th. This will be the time to pay for the deposit and be part of the Smart Tuition.
