 - Connect Vesper: Tonight , March 11 from 6-8pm – usually meet at the Flag Pole and walk to the CMC. The CMC is located near Jason's office in the High School building. Connect Vespers occur quarterly. It's a 2 hour vesper. Start with games, food, 10-12 min “thoughts” session, then break into groups and this is the time it becomes real and effective.
 - If kids want to get involved with the Campus ministries, students can receive community hours or WEE hours in High School. Freshman, sophomore and juniors are welcome to be involved in leadership. But it's usually geared towards seniors, because seniors do get academic credit for their involvement.
