

LOMA LINDA ACADEMY

JUNIOR HIGH SUMMER ENRICHMENT PROGRAM JUNE 20 to JULY 14, 2016

Loma Linda Academy Junior High will offer an enrichment program this summer. This program is open to all students who will be in grades 7, 8, or 9 next school year. This program is an opportunity for students to enrich their experience and improve their skills in reading, writing, mathematics, history, and science. Our classes are designed to reinforce essential basic skills, introduce students to new concepts they may encounter in upcoming years, and, in some cases, to re-emphasize skills that may have been missed. All teachers are fully qualified to teach the subject they have been assigned.

Class size is limited, so be sure to register by the Friday, June 10, 2016, deadline. Application forms are available in the Junior High office (Hours 7:30 a.m.-4:00 p.m. Monday through Thursday and 7:30 a.m. - 1:00 p.m. Friday), or online on the Junior High page at www.lla.org.

Classes will be taught beginning on Monday, June 20, through Thursday, July 14. Classes will meet four days a week, Monday through Thursday. There will be no classes on Friday.
